ICFIA International Steering Committee

Gary D. Christian, Chair (United States)	Mike Bloomfield (United Kingdom)	Jose Luis Burguera (Venezuela)
Wolfgang Frenzel (Germany)	Kate Grudpan (Thailand)	Ian D. McKelvie (Australia)
Toshihiko Imato (Japan, Editor JFIA)	Shoji Motomizu (Japan, Past President JAFIA)	Tadao Sakai (Japan, President JAFIA)
Jacobus F. (Koos) van Staden (South Africa)	Sue Christian, Advisor (United States)	

Organized by

International Conference on Flow Injection Analysis, Japanese Association for Flow Injection Analysis

Co-organized by

The Japan Society for Analytical Chemistry (JSAC), Chubu Branch of the Japan Society for Analytical Chemistry

Sponsored by

Nagoya City Convention Bureau, Aichi Institute of Technology, Daiko Foundation

AIMS & SCOPES

Flow-based techniques are noticed as the environmentally-benign and zero emission technology and the technology is applied to environmental chemistry, biochemistry, process control, quality control and life chemistry. The committee cordially invites you to the 15th ICFIA conference for discussion and exchange of ideas and information in the flow-based researches.

VENUE

The conference will be held at Nagoya Garden Palace at the following hotel address: 3-11-13 Nishiki, Naka-ku, Nagoya 460-0003, Japan
Tel: +81-52-957-1022; Fax: +81-52-957-1727; URL: <http://hotelgp-nagoya.com/>

Please note that **on the first day (September 28th, 2007), Registration & Welcome Reception will be held at Motoyama Campus of Aichi Institute of Technology. All other programs will be held in Nagoya Garden Palace except for one-day excursion.**

Nagoya City is located in the central part of Japan with population 2.2 million. Nagoya Garden Palace is located around downtown area of Nagoya City and it is easily accessed from the Chubu International Airport. From Tokyo or Osaka, the bullet train (Shinkansen) is available to transfer to JR Nagoya Station through Narita or Kansai International Airport.

CALL FOR CONTRIBUTIONS

The contributed papers are invited for oral or poster presentation on the subjects with the scope of the ICFIA.

Scientific Sessions.

1. Advanced technologies for trace analysis
2. New FIA/SIA technologies
3. Automated detection system
4. Speciation
5. Applications
6. Food and life safety

The official language of the conference will be English.

CONFERENCE SCHEDULE

September 28 (Sun) at Motoyama Campus of Aichi Institute of Technology

Registration & Welcome Reception at Motoyama Campus of Aichi Institute of Technology (Exit 4 at Motoyama station of Higashiyama Subway Line)

September 29 (Mon) at Nagoya Garden Palace

Opening ceremony, Opening session, Invited Lectures, Oral and Poster Presentations

September 30 (Tue) at Nagoya Garden Palace

Invited Lectures, oral and poster presentations

October 1 (Wed): One-day excursion to **Takayama (a famous old town) and Shirakawa-Go (a world cultural heritage)**

October 2 (Thu) at Nagoya Garden Palace

Invited Lectures, Oral and Poster Presentation, Banquet

October 3 (Fri) at Nagoya Garden Palace (morning)

Invited lectures and oral presentation, Closing Remark
